

## 2018 PPA Southern Putting Tour

Fellow Putters:

On behalf of the 2018 PPA Southern Putting Tour Committee, we welcome all of you to the 2018 putting season. We thank all course owners and managers, to include Tom Miller, John Womble, Mark Ross, Chris Graney, Brian Patterson and David Callahan, who graciously have allowed us to play at their facilities in past seasons, and again in the upcoming 2017 putting season. Their generosity in allowing us to play on their courses during the year is one of the key components necessary in making our tour a success.

- Please read the 2018 PPA rule book.
- Make sure you are familiar with any new rules, as there have been some changes. Also, take time to read this letter carefully to familiarize yourself with the 2018 schedule for tournament play.
- PPA players may use any golf ball, as long as it is a USGA approved golf ball and on the approved golf ball list on or after January 1, 2018.
- PPA layers may play in any miniature golf tournament, including the USPMGA events, but only in the same classification as they play in the PPA.
- Players must observe the Southern Tour practice rule; there is a 2-ball limit 2 hours before the start of a tournament, with a 1-ball rule in effect one hour before the start of a tournament. This has been added to the rule book.

Please complete membership applications as soon as possible to assure your playing privileges are approved before the season starts.

## **2018 PPA Southern Tour Entry Fees and Pairings**

Professional and amateur entry fees for all PPA Southern Tour events are posted in this document with the schedule. A \$10 late fee will be assessed to any player who does not pay his or her entry fee by the time pairings are drawn, which will be 60 minutes prior to tee-off. Please be considerate of the committee members who give up their practice time to supervise the tournaments by paying when asked.

On days where there are two 3-round events, players who intend to or may play in both events, will be asked to pay for both events prior to the first tournament. This will help expedite the work necessary between the two events. Remember, if you decide not to play in the second event and have already paid for that event, you will receive a refund of your entry fee for that event. Any player who participates in only one event during these doubleheader venues will not be required to pay an additional fee. Thank you for your understanding and help on these busy days.

There will be an additional "greens fee" collected each day and will vary according to the site. This will be offered to the course management for the use of the facility. There will be a \$10 administrative fee payable at your first SPT event, as this helps pay for administrative costs such as scorecards, scoresheets, trophies, etc.

Pairings will be by random draw in the first tournament on each Saturday. Twosomes will be used on doubleheader days to expedite play. In some instances, threesomes may be considered. For major tournaments, pairings will be done by points. Defenders will continue to be paired first in each event.

## **2018 PPA/APA Players of the Year**

Congratulations to Greg Ward as 2017 PPA Player of the year and Todd Trent as 2017 APA Player of the Year. The 2018 Player of the Year for PPA and APA divisions will be determined by using the total number of points, number of wins, money standings and adjusted stroke average. Player of the Year will be determined at the end of the year by ranking the top 20 in each category. The highest ranked player will get 20 points, second will get 19, etc. in each category. The ranking points in the categories will be added together, then points for each win will be added and the player with the greatest point total will be declared 2018 Player of the Year. Majors will now count as follows for a win: SPT Tour Championship: 2 points, all other majors: 1.5 points. Three-round events will continue

to count for 1 point in the “Wins” category. In the event of a tie, all players tied will be recognized as Co-Players of the Year. To be included in the adjusted stroke average category, a player in either division must have completed 75% of the rounds played. The Players of the Year in the PPA and the APA will each receive a plaque to signify their accomplishment.

## **2018 PPA/APA Southern Tour Points System**

The point systems for PPA and APA will be the same as in 2017. First place in both divisions will receive 40 points (35 Points + 5 Bonus for winning), second place will receive 34 points, third place will receive 33 points, etc. down to a minimum of 5 points for 31st place and below. In the six major tournaments, the top 5 players will earn an additional bonus of 5 points for first place, 4 points for second place, 3 points for third place, 2 points for fourth place and 1 points for fifth place.
